## About me

I have a passion for Computers and enjoy playing with codes. I am learning web development and have worked on various projects in the past. I am skilled in HTML, CSS and JS and always strive to stay updated with the latest industry trends.

## Experience

- **Computer Teacher** Sunrise Secondary School Jan 2021 - May 2022

In my role as a computer teacher, I effectively designed and implemented engaging lesson plans to cater to students with varying levels of technical proficiency, fostering a positive learning environment.

- **Inventory Manager** Urbar Nepal Feb 2022 - June 2022

Experienced inventory manager proficient in optimizing stock levels, streamlining supply chain operations, and driving cost savings. Strong record-keeping and cross-functional collaboration skills for seamless inventory management.

## Education

- **+2** Loyola College 2019-2021
- **Bachelor's** Wentworth Institute Current
